

Braxton Winston
College Counselor

Mr. Braxton Winston joined the DCS team in the Spring of 2021 and will serve as a College Counselor to our rising seniors. In this role, he will help our scholars and their families navigate the sometimes difficult college process and serve as a resource for our families as they determine the “best fit” for their student.

Outside of his DCS work, Mr. Winston is a member of the Charlotte City Council. After being elected in 2017, he was re-elected to his second term in 2019. In his work, he aims to build a city that is more equitable, accessible and interconnected. Charlotte has been defined historically by economic growth and he believes that the Charlotte City Council must ensure that all Charlotte residents reap the benefits of that growth.

Mr. Winston earned his Bachelor’s degree in Anthropology from Davidson College and was a two-year letterman on the football team. Braxton is a union stagehand and a member of our region’s robust sports television and entertainment production community. He takes immense pride in being a member of the International Alliance of Theatrical Stage Employees (IATSE) Union and is also the Community Connections Manager of the Levine Museum of the New South. Always busy, Mr. Winston sits on several boards and committees including Prep for Prep Alumni Association, the Board of Trustees of the Charlotte Symphony Orchestra, and Habitat for Humanity's Charlotte Neighborhood Revitalization Committee.
